

We all know an increase in auto adjudication rates lowers costs. Do you know what an increase would mean to you?

- Is your company satisfied with your current auto-adjudication rates?
- What does a 1% increase in auto adjudication equal in cost reduction?
- Are you selecting the correct provider with the correct address for every electronic claim?
- Would you be open to hearing about some unique ways to increase auto adjudication rates?

[Bases Loaded](http://www.baseload.com) specializes in one thing, increasing efficiencies and productivity while decreasing cost! We offer a free Cost Analysis to show you where there are possible savings. Also, ask us about 1099 cost reductions!!!!!!

Contact John at 704.424.9889 x225 or Shana x227 if you are willing to explore these issues.
